

# Bridlington & District Civic Society

## Bulletin No. 2 February 2026

---

Dates for your Diary

Tuesday February 10<sup>th</sup>, 7.30 PM, North Bridlington Library

Speaker - Paul Schofield

Topic – A Tour Through Beverley – History, Architecture and Anecdotes

Paul has entertained us before on a ‘Civil’ outing and as a speaker. So it is no surprise that we have invited him to return. This time it’s not Hull. It’s our county town Beverley. As close as it is there is no doubt that Paul will enlighten us with details which will encourage us to have another look at Beverley and maybe we can entice him to take us on the physical journey as well via another ‘Civil’ outing. This will be an evening of smiles – bring your friends – just £2.00 for non-members.

Friday February 20<sup>th</sup>, 12.00 Noon, HM Coastguard, Limekiln Lane

This is quite an achievement. Wendy’s efforts have paid off! Even if you’re not a fisherman the information we get from the Shipping Forecast is particularly relevant to us living on the coast and it is part of a nationwide weather report. With changing climate patterns and more storms HM Coastguard more than fulfil their role as an emergency service and it’s not often we get the chance to see this agency at work. Wendy will be reminding you.

.....

Planning

Now, to the matrix discussed at the Executive Committee meeting on February 3<sup>rd</sup>. **Sewerby Hall & Gardens** – Listed Building consent for the pre-paint maintenance repairs to woodwork and deteriorated stonework – support the high standard and vital work to this historic community and tourist asset. It was decided not to comment on **Land North of 187 Martongate** - erection of a dwelling and associated works

following removal of existing building. There was no objection to the details required by a condition, relative to landscaping improvements, at the extension being installed for a Nitrate Removal Plant at **Water Treatment Works, Haisthorpe** or to the erection of a substation at **Gypsey Race Park East Springfield Avenue** where permission has been granted for 30 new build apartments.

The following are from the February 9<sup>th</sup> Agenda for the Eastern Area Planning Sub-Committee: Resolved that the change of use from guest house to House of Multiple Occupancy at **78 Trinity Road** be approved. Delegated – approved: **Bridlington Fire Station** – erection of a single storey extension to side; **Munton & Fison Flamborough Maltings** – erection of 3 barley storage silos with associated handling plant; **Jeans Etc, 37 King Street** – replacement of existing shop front at ground floor, replacement of existing ground floor windows and door and replacement of first floor sash window and associated window repainting works throughout first floor; **31 Fairfield Road** – change of use from a dwelling to a holiday let; **1 New Burlington Road** – change of use from dwelling to five apartments serviced accommodation and extension to rear; **Sewerby Grange** – application of render to rear and erection of a 1.9m high wall enclosing rear garden, demolition of existing wall to rear, construction of permeable gravel driveway following removal of existing block paving.

.....

Mentioned at the E.C. meeting so thought it useful for our members to know about this:

“Report Fraud runs a service which provides free support, advocacy and prevention advice to victims of fraud and cyber crime.”
