## Bulletin No. 6 June 2026

---

Dates for your Diary

June 20<sup>th</sup> and 21<sup>st</sup>, 10.00 AM to 4.00 PM, Bridlington Old Town

These are the dates for the 2026 opening of the Secret Gardens. It is just £5.00 for the weekend.

If you are going to see the gardens take the opportunity to have a look at what David Neave describes in his book “Port, Resort and Market Town – A History of Bridlington” as the “splendid Priory Church” and “the remarkable collection of buildings along High Street and Westgate. Together they form one of the best streets, historically and architecturally, in Yorkshire”.

Tuesday June 23<sup>rd</sup>, 2.00 PM, The Royal Standard, 30 North Bar Within, Beverley, HU17 8DL

This is the next ‘Civil’ outing. It will be a walking tour around Beverley with Paul Schofield showing what our County Town has to offer and the chances are that he will surprise us. The cost is £5.00 payable to Paul on the day.

As usual, Wendy Harrison is the one to contact (on 07790 223952) to book your place.

By the way, if you have any suggestions for future ‘Civil’ outings Wendy would be very pleased to have them.

.....

### Planning

At the Executive Committee meeting on June 2<sup>nd</sup> the following were discussed: **7 – 11 Prince Street**, Submission of details required regarding shop fronts and security shutters – it was felt that a see-through style of shutters would be more appropriate so that one could at least

glimpse the premises instead of looking at a blank wall during the closed hours. **The Ship Inn, Post Office Street, Flamborough** – Erection of festoon lighting and replacement of planters to rear courtyard, repairs to existing dormer windows to front and painting of external walls – suggest new colour trim around the building should be “UV proof” to reduce the possibility of fading. **The Eaves, South Sea Road, Flamborough** – Sub-division of a single dwelling to form two dwellings, to create an additional entrance door to side – property totally inappropriate for holiday lets in this quiet residential area. **Field at grid reference 518323 Bempton Lane** – Erection of 67 dwellings including associated infrastructure, drainage and public open space – construction of road should be prioritised.

The following was noted: **The Windsor Hotel, 22 Windsor Crescent** – Variation of conditions to allow for increase in lift height, increase in size of conservatory, reduce size of balcony and amendments to roof design.

Michelle Stephens brought to the Committee’s attention the new development on Squire Lane in the Conservation Area of the Old Town, expressing concern about the outline planning permission and the current hard surfacing in front of the dwellings when other properties in the area have small front gardens.

From the Eastern Area Planning Sub-Committee Agenda of June 8<sup>th</sup>: Recommend approval for **Gypsy Race Park East, Springfield Avenue** – alterations to site layout, amendments to car park and footpath surface materials and retrospective erection of an electric substation. **Appeals Dismissed** with respect to cladding to front elevation of the **Regent Residential Hotel** and communication kiosk at **Land outside 3 - 5 Chapel Street**.

.....

There will be no more public meetings until September. Enjoy the summer.

.....

The opinions expressed in this Bulletin are not necessarily those of the Committee or members
